Undercurrent Rublications -- S. T. C. -- Salisbury, Md. -- Vol. IINo,1

May 1947

WEEDING OUT ELECTIONS

QUEEN PARKS REIGNS.....

Our biggest event of the school year - May Day - has come and gone.

The opening processional, led by our school majorette, Miss Bette Anne Moore, was indeed a lovely one. Those in the processional were --- May Queen, Miss Jetta Belle Parks of Salisbury, her escort, Mr. J.Colgain of Denton; the Maid of Honor, Miss Ruth Baldwin, and Misses Audrey Stayton, Ellen Parks, Margaret Anne Carey, Laura Corbin, Ruth Cloak, Dorothy Lord, Lola Morris; the Gentlemen of the Court -- Messrs. Marshall Moore, Denwood Bloodsworth, Nolan Owens, William Woolston, C. M. White, Norman Moore, Herbert Ryle, and Wendell Potter.

A mixed dance group presented the May Day Greeting, and then our queen was crowned. After the crowning Misses Holland, Reator and Sturgis performed their dance in honor of the Queen.

Miss Dorothy Nelson, President of the Home Association, presented Miss Stayton as --"Miss S. T. C."---followed by a Mexican fiesta, which was presented by members of the elementary school.

Then to add a little variety to the program, Miss Katherine Donnelly and Wendel Rettig performed a Spanish tango, followed by a Scarf Dance, which was given by Misses White, Williams, Richards and Bulter.(pp.3)

According to the constitution set up by the Student Government of Maryland State Teachers' College of Salisbury, Maryland, the president of the representing body is elected during the preceeding year of his term.

To hold with tradition, and in order that our government may function efficiently, the election of the Student Government President for the school year of 1947 - 1948 will be held Wednesday, May 7, 1947.

The staff of this paper wishes to announce that it shows no partiality in the selection of the candidates as the articles appearing within were submitted for publication by the candidates campaign managers: William Woolston representing Nolan "Pud" Owens, Zach Jacquett for Marshall Moore, and Gregg Whedbee representing Norman Moore.

We, the staff, are sure that these candidates were selected with care and, although each one would probably make a good leader, we hope that you, the student, do not let personal feeling sway your vote.

****

To the candidates, the members of the UNDERCURRENT staff say:

****

MAY THE BEST MAN WIN AND TO HIM THE GREATEST OF SUCCESS IN OFFICE

****

VOTE FOR MOORE AND BE "SHORE"----

Mr. Norman Moore comes to S.T.C. from Easton, Maryland. He had two years experience on the student council in high school.

As a Senior in high school he was elected President of his class.

Norman was awarded a gold medal during his senior year for the most outstanding athlete of the school.

Under navy training program he attended the University of Wisconsin and was a member of the governing board for navy students.

At S.T.C. Norman Moore has been:

(1) Chairman of Student Assembly Committee.
(2) President of Freshman class.
(3) Member of the varsity soccer squad.
(4) Coach of J.V. Basketball squad.

Norman has been active in student government work, serving on the council and various committees.

He has been on the Honor roll both semesters of his enrollment at S.T.C.

Norman Moore's motto in public office is, "SERVICE ABOVE SELF".

Norman is, indeed, a good and capable man.

WHAT ABOUT "PUD" OWENS FOR PRESIDENT

Here's your sample ballot for the coming election.

Pud Owens	X
Marshall Moore	
Norman Moore	

Don't take our word that he is the most eligible man for the job; just take a glance for yourself at his record.

He was graduated from Mondale High School in June, 1944, and enrolled at S.T.C. the following fall to take a pre-law course. While in high school he was active in school activities, and showed evidences of his leadership where he was chosen as president of the Student Government in his junior year. During his senior year, he served as Vice-President of the Student Government, he was president of class and was winner of "Old Rome Prize" award at graduation.

His abilities as a leader did not go to waste after completion of his high school work. During his first year at S.T.C. he received the title of highest vote in the election of campus leaders -- that of 1st Vice-President, and also served as Vice-President of the Men's Association.

Pud's sophomore year was a very active one also. He served as President of the Men's Association and did much to make that an active and co-operative body. He was a member of the Executive Board and spent much of his time and energy to help put our present student government on a firm foundation.

Pud is now back with us and is enrolled in teacher training, after a semester at the University of Maryland. While here, he has a knowledge of the things which can be done to improve our present system of government.

Shortly after his return he was elected president of the Junior class. He has already proven his willingness to co-operate with that group and has well represented them in the Executive Board.

Surely, a record so worhtwhile is deserving of your appraisal before finally casting your vote next Wednesday. WHAT ABOUT IT?????

MARSHALL MOORE FOR PRESIDENT OF STUDENT GOVERNMENT

In order to make the Student Government of S.T.C. more successful than it has been in the past, we feel that the only way in which this can be accomplished is for this organization to have an energetic and straight-forward person at its head.

There is no doubt then, that the most obvious person for this job is Marshall Moore. Marshall is a well-rounded student. He has participated in all extra curricular activities. A member of the executive board in the Student Government, he has served the past year on all three major athletic teams and he is editor of the publication staff. His associates in both

Sports and publications recognize the fact that he is hard-working, sincere, and person who gets things done. It would seem, therefore, that these are the qualities necessary for one to head the office of President of the Student Government.

We hope that the entire student body will vote in this election. This is a matter which directly concerns you, the students. The Student Government is your organization and it is up to you to choose the person that you want as president.

****

May Day -- continued

Our Physical Education class was well represented by our tumblers, Misses Hastings, Black, Hooks, Hooks, Lecompte, Lecompte, Bosley and Meredith.

The festivities were drawn to a conclusion with the traditional and lovely May Pole Dance, performed by the members of the Freshman Class.

With the recessional, everyone adjourned to the social room, where a delightful tea was enjoyed by all.

BAGLEAN-CARNEAN to Broadcast.....

Friday night, May 2, is another big night for the Baglean-Carnean! Yep, this time it's a broadcast. The subject is one of current interest to the people of Wicomico County system of government which has been proposed.

The participants in the panel discussion will be Nolon(Pud)Owens, Kitty Fitzgerald, Elmer Hughes, and Margaret Anne Goodwine. Mr. Fleming will be the moderator.

Tune in and listen at 8:15, Friday night.

In the near future there will be another broadcast concerning the Greek situation. Obviously this is a timely subject. Bradley A. Lentz, Gregg Rhodes, Louise Smith, and Zach Jacquet will participate.

****

TOMORROW -- FRIDAY, May the 8th!

****

TODAY*

The following poem, submitted by one of our creative students, Lynn Lentz, deserves, in the opinion of the staff of the UNDERCURRENT, worth for publication.

His poem, TODAY, is printed here in the same fashion as received by our staff. We do not to change any of the proper effect.

With every rising of the sun
Think of your life as just begun.
The past has perished and buried deep
All yesterdays. There let them sleep.
Concern yourself with but Today.

Grasp it and teach it to obey
Your will and plan. Since time began
Today has been the friend of man.
You and Today! A soul sublime
And the great heritage of time.
With God himself to bind the Twain,
Go forth, brave heart. Attain!
ATTAIN!

This edition edited by Louis Stanley Seidel.

Guess What!!!

This poem was composed and submitted by one of our most honored and cultured students, Godfrey Byrd Childe, by name. It has been rumored that this 'creation" was graded "A" by Dr. Matthews. So here it is.

Roses are red,
Violets are blue,
Lillies are green
I know
Because I saw them on the clothes line.

****

Our thanks go to not only the regular "UNDERCURRENT" staff but also to Miss CONNIE BOKENKEY and Miss MARY ANNE BEARE for making this edition possible. Our thanks also go to Mr. JAMES RIDDICK.

PLEASE READ MORE!!!!!!!!

Edited--L. Stanley Seidel.

HASHIN' OVER FASHIONS.....

Now isthe time to decide on the kind of leg make-up you plan to use. There is one well known brand which comes in three shades. The middle shade can substitute either for sun tan or hose. It actually looks like hose, if applied correctly. Be sure to have your legs depilated before you apply it however. This particular make-up can be worn in the shower and still stays on. Also it doesn't come off on the bed linen. (To make your leg make-up look like hose have your roommate draw a line down the middle of your leg with an eye brow pencil).

Here are some suggestions for getting a suntan without pain and suffering. Try using baby oil mixed with iodine (Nine drops to a bottle of oil). "Skol" is another good tanning agent. Both of these lotions must be rubbed on continuously as soon as one application dries, apply another. Remember to keep your formal in mind when sun bathing. Many an untanned spot has turned up unexpectedly at a spring dance. (Thanks to M.R. and M.M.)

How about a new bathing suit? One of the local stores has strapless suits made of cotton. This certainly will eliminate those ugly strap marks nearly everyone complains about. If you don't care for this style there are others to choose from--two-piece in cotton and one piece in jersey or latex.

Guess this is all for now so.. SO LONG.....

Lee Fleming- It gives me a great deal of real pleasure to give you a "D" in this subject.

McCarey- Why not have a REAL good time for yourself and give me an "A"?

NEW INVENTION.....
Glass that will bend so drunks can wring out the bottles.

****

Editorial:

Regarding the coming Student Government election, it is to be hoped that every student will take an active interest in the forthcoming campaign.

This is the biggest student office in the school and it should be a matter of importance to everyone to see that a well-qualified person is elected.

It would also be a good thing if in this election people would forget their personal feelings toward one candidate or another and look only at the person's qualifications for office, in order that someone who is capable be elected.

THE STUDENT ASSEMBLY

On Tuesday, April 29, THE COSMOPHONIC SOCIETY presented a very interesting assembly featuring Miss Joanne Lettle, a student of the well-known Peabody Musical Institute, on the piano. This assembly was greatley appreciated and went over very well.

We, the student body, hope to have the honor of listening to Miss Little again in the verynear future.

You can always tell a lady the way she dresses. Watch one some time.

OH? TO WET THINE LIPS.....

After months and months of waiting, it's here!

Oh! how we longed to get our lips on one of its mouths,
We thought we would go crazy just hoping,

Many long classes we spent expecting and hoping it would be here when the bell rings and get a drink!.!!!!!!!!!!

And now that it is here, we know we can rush down as soon as the bell rings and get a drink!!!!!!

Yes! The "Dorter Pepper" machine is here.....

I'm tired and have got to get home and finish my card research so I'll "clothes" and finish tomorrow.---Louis. Yeh, follow but Frank Lynch and I(Lynn Lentz)did the stencils and that's harder.

GALA * GAB

Since the writer of this article has not been snooping around very much lately there isn't much to write. But finally spring is here and the flowers are blooming, the bees are buzzing and the trees are budding.

Who was Lynn B. last seen with? Why Jack H., of course.

It seems Louis S. must have plenty of personality. What you see him with Dolly H. and then Jane R. what have you got, huh, fellow, I'll tell you!!!!!!!!

Oh, yes! of course, we all know we have three engaged girls among our midst. They are Ketty F., Connie M.,(Messick, that is) and Joyce G.

Who is that sailor we see you with quite often, on weekends, Grace W?

"Will" Woolston doesn't seem to enjoy these evenings of play practice very much. He has to spend his time in the library working cross-words puzzles.

I hear Bob S. and Louise B. have been seen together quite often.

Polly E. seems to think Freddie M. has that certain something.RIGHT

Joan D. has provided a new addition to the girls' dorm. So follow if you ask your girl why she loves you, know you will get a good answer. (It will be from the record, "Melody of Love").

Don't give up hope Ruth, C. Charlie W. is a swell guy.

We hear Laura C. and Richard D. enjoyed each others company thepast wweekend. Who would have thoughtit Grace E. our singer, and Gregg W. are engaged. They make a swell couple. Don't you think????

At the Easton Spring Formal the engagement of Bob D. and Minnie B. was announced and the "Anniversary Song" was played in their honor.

Two of our most frequent tennis players are Frances P. and Nelson B.

Here's hoping that Doc Fleming will take his Botany Lecture-Lab. class out on a nature study. (if so, each student must bring his own cigarets.

FREE ENTERPRISE!!!!!!!!

S.T.C. girl sets outstanding record.....

Last Monday nite Miss JEAN CALLAT demonstrated her drinking capacity to a host of startled and, to say the least, surprised observers, by downing a large quantity of liquid (water, that is). The young lady downed seventeen glasses with out batting an eye, within the limited time of one hour. Miss DALLAS, who still abides a little "misses", not only received her daily quota of water but won the attractive sum of one dollar for her hours achievement.

DORM NEWS HERE AND THERE....

Wanted: A tall man, dark complexion, pretty white te th black wavy hair, a car and plenty of money. Phone 1002

Wanted; An energetic man, period.
AApply: Libby Truitt

Wanted : A roommate for Connie McKenney and Jean Lallam at the University of Combridge.
Apply Dorm.

Mary had a ltttle lamb,
The doctor fainted.

"Hell"! said Seton as he answered the phone.

Heard in the night.....

She -- Stop!
He -- No!
She -- Oh, will, I did my duty.

BOYS' SPORTS-----

With warm weather , a man's fancy quickly turns to the baseball and d amond and other outdoor sports!! The boys at S.T.C. are no exception A huge baseball squad was cut into two groups, the varsity and the junior varsity.

The varsity in its first collegiate battle dropped a decision to the University of Baltimore. Marshall Moore was the losing flinger. He was in trouble in two innings, the first and last, when he lost his control. The in between innings were well-played by both squads. This defeat caused the boys to bounce angrily back and come up topside in a game with Fruitland, members of the Mar-Va semi-pro league, by a 6-2 verdict! Again it was Marshall Moore on the hill for the collegians with the help by Charlie White and "Bud" Owens.

The Fr. Varsity is powerloaded They have four good starting pitchers in Edgar Ryle, Hilary Taylor, Genie Ellis, and Bill Woolston. Tuesday, the J.V. won a 30 to 8 decision over the previously unbeaten Washington High School. The big gun in the J. V. attack is Edgar Ryle who has clubbed a .800 average and driven in "7" runs.

The College Softball team has yet to taste defeat. They have won both games so far. They beat the V.F.W. and the State Police Troopers behind the stellar pitching of Bob Pollitt.

S.T.C. GIRLS CARRY ON.....

Athletics, our feminine society, so far as athletics are concerned has been rather inactive since the close of the basketball season. The only organized event was the presentation of gymnastics by all of Miss Ewart's classes at the senior day exhibition. The girls put on a fine show and were rewarded after each effort by loud applause by the visiting seniors and the schools males.

Included in the main event were folk dances, pyramid building, tumbling, and feats of outstanding ability on the horizontal bar.

Those of you who enjoyed the exhibition on Senior's Day may feel free to treat yourselves to another of the same dose at the May Day performance. The girls are working hard to prepare an even better exhibition for that day.

Nothing is fun in the way of organization has developed, however, the girls are working for every day in the gym or application of soft-ball and volleyball to equal the fine record they set up in basketball.
